

STATIONERY REQUIREMENT FOR GRADE 10 -2017

Below, please find the list of items that your child will be required to have. It is vital that each pupil has the required items at school on the first day of the term to facilitate the Learning Programme of Hatfield Christian School. These items need to be **CLEARLY MARKED** with your child's name and grade. All books need to be covered with brown paper and plastic. **Please remember that the consumables (writing implements, crayons, glue etc.) need to be replaced as and when necessary during the course of the school year. A small amount will be deducted off the school account for various presentation folder/dividers and book covers not shown on this list.**

All the items listed below are available from stationery outlets. (e.g.: Pick n' Pay, Makro and Trade Centre etc.)

The Casio calculator FX991ZA Plus can be used for Core Maths.

- Every student will need a visual diary for practical projects. Please buy one in the beginning of the year and replace as needed. It may be A4 or bigger, depending on the student's own preference. Untextured, 80gr. Paper works best.
