*Stationery used throughout grade 10, 11 and 12 Students are asked to keep the items for all three years. Stationery will need to be replaced if damaged or lost.

*Art

- Please budget for own choice media for at least 4 practical projects. This budget should also allow for photocopying and printing for every project's research component and the presentation of each work for examination purposes.
- Every student will need a visual diary for every practical project. These can be bought throughout the year as needed. It may be any size, depending on the student's preference.
- Students will need to make notes in class but can do that in any book/file they please.

*History files will be provided by the school and added to the textbook levy.
