NEWSLETTER #11
Friday 14 April 2017

Dear Parents

Last term ended in a flurry of wonderful activity; what with the wonderful Sound of Music Productions and the very significant camps. Many children (not to mention parents and staff) were exhausted by the end of the term and we trust that you have all caught your breath a bit this holiday. I do also hope that some of you were able to benefit from the 'out of season' holiday week and have some good family time.

ASTRO UPDATE

All is going really well with the astro project and there is much excitement for new sporting season that it will usher in. The handover is currently scheduled for 10 May and the classroom construction will start in May. Our building team has been fantastic and we are most grateful to all involved.

SAVE THE DATE!

Following on from the hugely successful **Ride or Run** events of the past two years, I feel certain that you and your family will definitely want to be there this year. Save the date It's on the morning of Sat 3 June. The overwhelming majority of our school families (and others) will be there. This event accommodates us all; ranging from the serious runners and cyclists to the very beginners. And ... if walking / running / cycling are just not your things, the Parents Association will be looking for helpers. More details will follow. Please consider being part of this happy community morning.

A NOTE FROM THE FINACE OFFICE

In the last council meeting it was agreed that, in the case of outstanding fees, interest will be charged after 30 days and not 60 days. This will be effective as of the end of the second term.

I trust that you have a meaningful Easter season.

Kind regards

Graeme Holloway
