Dear Parents

Welcome back to the second term and, in particular, I extend a warm welcome to the new families who joined us at the beginning of this term. Second terms in schools are always busy; jam-packed with loads of sports fixtures, cultural activities and culminating in exams for the High School students. We love the 'busy' and all the opportunities afforded there-in and look forward to much joy and life on our campus this term!

### **STAFF NEWS**

Many will already know that Mrs Gabi Tarbitt and her husband Gaerth have been doubly blessed and are expecting twins! In anticipation of what lies ahead, Mrs Tarbitt has tendered her resignation, effective as of the end of this term. We are currently advertising for a High School Geography post and should anyone be interested in applying, CVs may be sent to [cv@hatfieldcs.co.za](mailto:cv@hatfieldcs.co.za) by the end of April.

### **COMMUNICATION**

- We have been (and still are) experiencing severe network problems this week. We apologise where this has impacted on you (e.g. detention notification) Let's hope you get this newsletter on time .....
- Have you joined our school Facebook page yet?
- And ... thank you to the vast majority of parents who keep yourselves so well informed of school happenings amidst all your busyness.
- As you well know, weekly newsletters come from my desk each Friday. The body of the newsletter doesn't usually contain sports details unless they have an implication to many in our community. All sports activities are reflected in the letter that comes from the sports office. Likewise sports achievements are celebrated in the sports newsletter. We urge you to read that letter as well. In line with this, we have received a number of queries regarding sport this term. I would like to draw your attention to a paragraph in the newsletter of 3 March. I trust that this helps alleviate any confusion that you might have. As communicated, the substantial changes are as a result of the construction of the grass field running behind schedule.

### **Co-Curricular Update**

*As with any building project there will always be unexpected delays or unforeseen events. Where we had expected the grass fields to be ready for action from the beginning of Term 2 this is not our reality. As a result this has significant implications as to what fields/venues are available for our sports teams to practise and play matches on. Attached to this newsletter is a significant revision of what had previously been published as we have had to juggle all the sports around to find a solution which hopefully doesn't inconvenience children, parents and staff too much over the next term. Some of the major adjustments are:*

- *Primary School Hockey and Soccer (depending on the various age groups) will practise on a Monday. Choir will still happen during this time and choir members will not be released from choir to practise on this day.*
- *Primary School Soccer (depending on the various age group) will have practise on a Friday afternoon.*
- *High School Hockey will now have 3 practise sessions on some days instead of the 2 practise sessions previously. This means some practises will start at 4pm and the school will create venues for supervised homework on these days.*
- *High School choir will move to Tuesday afternoon.*

*Please bear with us and support us during this period as we endeavour to do our best. Where the schedule has changed significantly and clashes do arise please direct these to the sport's office so that we can try accommodate you as far as possible*

I trust that this reminder helps and together with you look forward to normalizing our programme when our astro and field are ready.

### **A BUSINESS OPPORTUNITY**

Whilst we don't usually advertise in our community, we think that this could be of benefit to you.

One of our Grade 6 Entrepreneurs, Bastian Nel, is thinking out of the box and has gone to extraordinary lengths to create a business offering special deals from businesses to our community. Please do yourself a favour and check out his newly launched website with a number of great deals already there to benefit from. We wish him all the best in the future of this venture and see great Win-Win potential in the concept! When you have FINISHED reading the sports newsletter you may follow this link for some retail therapy and to support this young man... [www.schoolspecials.co.za](http://www.schoolspecials.co.za)

I trust that you know how happy my staff and I are to serve you and your children. Our work is a joy and a labour of love and it has been wonderful to have them back this week.

Kind regards

Graeme Holloway

### Hockey Tour

During the holidays our 1<sup>st</sup> SNR Hockey teams travelled down to Port Shepstone for a week-long tour. The tour included practises, indoor and outdoor matches and team building activities. Both teams will take the fitness and skills gained from this pre-season tour into their first round of matches to be played in this coming week.

## Dancing

During the holiday Jessica Williams took part in the Talent Africa Nationals held in Roodepoort. She performed 2 solos and was awarded a gold and a silver medal.

She was also awarded her FEPASA (Federation of Performing Arts of SA) Gauteng colours together with a Gauteng jacket and Dance badge.

## Swimming

During the holidays a number of our students swam at either the SA Schools Competition held in Polokwane, or the Junior Nationals held in KZN. This included Aiden Paveley and Gareth and Amy Stanford.

At the SA Schools competition, Amy won four gold and one silver medal. She was also selected as team captain, and went up to receive the trophy on behalf of Gauteng - who won the event.

## Golf

We would like to congratulate Ruwan Coetzee who won the JNR Championships at Wingate Golf Club – Well Done Ruwan!
